

OFF THE KERB'S AWARD GROUP SHOW

Off the Kerb is excited to host this end of year group show to celebrate the completion of a challenging yet creative year in the arts. We are pleased to open up to reach the wider creative community to platform new creative voices who have not yet exhibited before in our beloved gallery. Alongside our stable of regular artists you will get to present your incredible talents.

We are asking artists to present small works (dimensions noted below) in your chosen medium and style and any chosen subject matter - still life, landscape, portraiture. There will be a preliminary selection process by our team of final works to be included in the show.

We are pleased to announce that there will be an award presented in this show- "The Collector's Award". Our patron collectors at Off the Kerb will vote to present one artist with this award which will give them the opportunity for a solo exhibition in 2025 free of charge. Dates and gallery space to be negotiated between artist and gallery staff.
